FoEC thank Melbourne Water for their continued support of our work. We were successful in our application for a Community Grant that will provide funding for our projects in 2020-21. We also acknowledge with gratitude the support of Moreland City Council who endorse our vision for Edgars Creek and their 'on the ground' support.

**We acknowledge the original custodians of the Edgars Creek lands – the Wurundjeri mob. It always was and always will be Aboriginal Land. We pay our respect to the ancestors and today's elders.**
