FoEC thank Melbourne Water for their continued support of our work. We were successful in our application for a Living Communities, Living Waterways Grant that will provide funding for our projects in 2022. We also acknowledge with gratitude the support of Moreland and Darebin City Council's who endorse our vision for Edgars Creek and their 'on the ground' support.

We acknowledge the original custodians of the Edgars Creek lands – the Wurundjeri mob. It always was and always will be Aboriginal Land. We pay our respect to their ancestors and today's elders.
